RAQBALL : THE NEW SPORT, A FRENCH CONNECTION !

RAQBALL is the first **COLLECTIVE RAQQUET*** sport. It was created by French artist **Chris Oven**.

Fully innovative sport, it combines the values of team spirit and competitiveness.
Complete, new and playful, it includes several motor skills.

As in team sports where the mediation element is a balloon or a ball, "**DRIBBUP**" players pass, cooperate and "**TARGG**" towards the "**TARGET**".

The objective is the winning of the match by the team having scored the most points marked on the target called "**TARGET**".

Sport of skill, strategy, precision but also intensity, it is suitable for both family and confirmed athletes.

Thanks to easy to install mobile devices, **RAQBALL** can be played everywhere.

Sharing, Respect, Innovation, Mobility (S.R.I.M.) are the attitudes inspired by the practice of **RAQBALL**.

THE LEXICON PROPER TO RAQBALL

RAQQET : racket

TARGETT : target

NETT : net

BALL : ball

TARGG : shooting at the target

DRIBBUP : action of bouncing the ball on the RAQQET

JUGG : action of bouncing the ball on the floor

SHIRTT : chasuble or jersey

THE RULES OF RAQBALL

Two teams of three players oppose to win the match. Their goal: to reach the opponent's TARGET with the BALL! Players achieve this through partner passes or individual progressions.

The goal being the TARGG (shot on the target).

TARGETTS are circles 110 cm in diameter, positioned in height and having a hollow interior space of 40 cm in diameter. Each player moves with a RAQQET in their hand. The field is 20 meters long and 10 meters large.

- A TARGG that touches the full board counts 1 point.
- A TARGG that passes the center hole from the opponent's area has 2 points.
- A TARGG that passes the central hole from its own TARGETT zone has 3 points

THE MOBILE GROUND (2 transportable kits)

The Mobile Terrain RB3018 is a "everything to play" allowing the practice of **RAQBALL**.

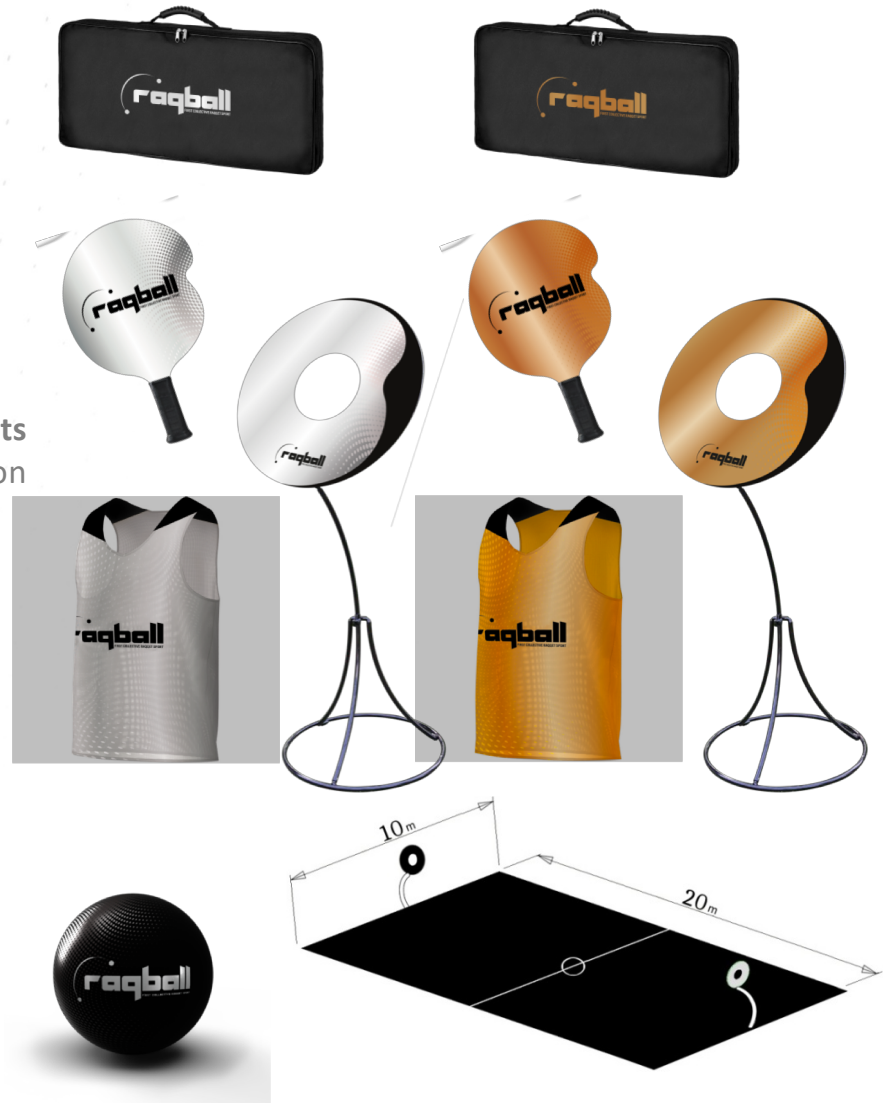

The necessary equipment is in the form of **two transportable kits** including targets, raquet balls, chasubles, strips of delimitation adapted to all the playgrounds.

It is approved by the International **RAQBALL** Federation (**IRBF**) for competitions, supervised or informal practice.

- Easy to carry.
- Easy to assemble
- Adaptable to all surfaces
- Adaptable to existing team sports fields

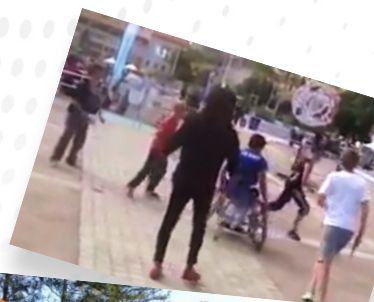

In the mobile Ground, the equipment is **complete for 2 teams**. It allows to play immediately in interaction.

Its competitive and attractive price seduces already !

RAQBALL IN ACTION !

Hundreds of tests in France and abroad have already been carried out in partnership with communities and private sector players. The craze is total !

CHRIS OVEN, CREATOR OF RAQBALL...

Chris OVEN is a french artist (sculptor, painter, artist and inventor of sports innovation).

His main values are "Fun attitude", extravagance and altruism. He has the gift of inventing, according to his desires, his life and his encounters.

RAQBALL is the living illustration, born at the corner of a street.

Chris OVEN is an artist who has the sensitivity and intelligence to grow his creations with and thanks to others. He defines the RAQBALL as a sport imbued with the values that he preaches.
